

McLaren Doors vs. Graffiti

Why make your next door a McLaren Door? Simple, because McLaren Doors offers you more than a door that just rolls up and down and keeps freight in!

In an internal test, McLaren Doors research department decided to apply a few graffiti mediums (paint and permanent marker) to the McLaren door panel to see if it could be cleaned. The graffiti sat over one month before cleaning. With just 8 minutes of cleaning the results were spectacular.

One month later
